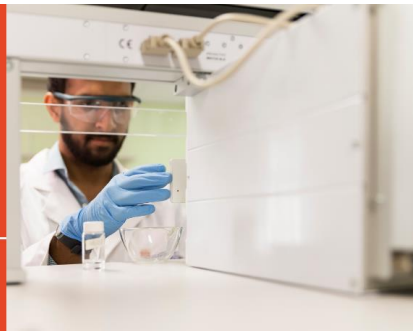
THE UNIVERSITY OF SYDNEY

AUTHORITY TO SUBMIT FORM
Research Support Scheme

Research Grants and Contracts | Submissions



This form must be completed by the **lead applicant** and the **Dean, Head of School (HoS)or Medical Research Institute (MRI) Director** in applying for **research support schemes**.

*The primary objective of **research support schemes** is to provide funds to support the conduct of the proposed research activities. These schemes may or may not provide salary support.*

Please submit the completed form to CS0758290 *this is an electronic form*

Funder and scheme	ARC DP24
For funding commencing in	01/01/2024
Proposal title	Political Conflict, Inefficient Markets, and Food Crises

This statement represents a commitment by:

Faculty	Arts and Social Sciences (FASS)
School (of lead applicant)	FASS, School of Economics (SE)
Medical Research Institute (MRI)	N/A
To provide support to (name of lead applicant)	David Ubilava
Staff ID for lead applicant	1129156

I, the lead applicant, confirm that the following points have been addressed prior to submission of this research grant application. Please answer each of the following:

Yes — I confirm that I have familiarised myself with the funder's guidelines, rules and/or instructions.

No — This project is a clinical trial.

Yes — Please list resources (e.g. consumables and supplies), specialised equipment and research space (e.g. equipment space sqm, specialist environmental conditions) required to complete the proposed project.

The project requires resources that are already available, including office space, desktop computers and library resources; a workshop in each year has been appropriately costed including venue hire and consumables.

N/A — I confirm that any salary shortfall for the project personnel will be managed from project funds.

No — Does the funder restrict indirect costs included in the budget? **If yes,** please attach the document that confirm the indirect cost limit.

THE UNIVERSITY OF SYDNEY

N/A	The Dean has approved a variation to the indirect cost recovery rate of 35%. If yes, please attach approval with this form. **NB** The Dean's approval is not required if the funder restricts indirect costs.

DVCR pre-approved cash contribution. (office use only)

If applicable, please use the below table to list any requested Faculty and/or School or MRI cash contributions.

Description (e.g. Materials or Travel)	Faculty cash contribution	School cash contribution	Total
HDR stipend to-up	$25,011		$25,011
CI international Conference Travel		$31,449	$31,449
Workshops in years 1,2 & 3		$17,742	$17,742
Grand Total	$25,011	$49,191	$74,202

Please note any additional comments in the table below.

The School of Economics has committed funds up to $20k p.a. to cover expenses not normally covered by the ARC and those items that elevate the impact of the research. School cash contributions have been costed for international conference travel and a workshop in each year of the project, to the value of $49,191 over the life of the project.
The School is aware of the CI's request for teaching relief to allow the project to be undertaken, and confirms that if the application is successful the budget allocation will be managed appropriately. Teaching relief of 50% at $25,000 is included in the budget.
CI Ubilvava has requested Teaching Relief in Year 2 of the project.
